This matter comes before the Public Service Commission of South Carolina (the Commission) on Motion of the Commission Staff for an extension of the thirty (30) day deadline for the filing of Briefs after a hearing, as provided for in our Regulation 103-875. Under that Regulation, special permission must be granted by us for the filing of Briefs beyond that thirty (30) day period. Staff notes that the Transcript of Testimony in this matter will not be ready until February 25, 1999. (The hearing was held on February 4, 1999.) The parties have requested a period of fifteen (15) days after the Transcript availability date to file Briefs and/or Proposed Orders. Under this schedule, Briefs and/or Proposed Orders would then be due on March 12, 1999, if we give special permission.

We have examined this matter, and believe that the circumstances with late provision of the Transcript justify the Staff's Motion for special permission to have the parties file more than thirty (30) days past the hearing date. The special permission is therefore granted. Parties in this case may file Briefs and/or Proposed Orders with this Commission in this matter on or before **March 12, 1999**.

This Order shall remain in full force and effect until further Order of the
Commission.
